CHAIRMAN'S WELCOME

Welcome to the new season.

We have high hopes this year. You'll notice a few changes around the club. The lads have been working extra hard on the training ground in the off season, particularly on our defensive covering and marking; I think you'll notice the difference.

Now it's over to you. Your decisions will shape the club. The season opener is drawing closer and it's up to you to get the club where it wants to be.

HANDS-ON MANAGEMENT

THE OFFICE

| Action | Control |
|------------------|-----------------|
| Highlight option | Control Pad ↑/↓ |
| Change option | Control Pad ⇐/⇒ |
| Select/Advance | A Button |
| Cancel/Return | B Button |

THE PITCH

Note: The controls below correspond to the FIFA control style.

Note: Select CONTROL OPTIONS from the MY FIFA 07 menu to change the control layout.

Note: You can elect to turn on Auto Switch from the CONTROL OPTIONS menu. When defending, Auto Switch automatically switches your player to the one nearest the ball.

| Action | Control |
|--|----------------------|
| Move player | Control Pad |
| Sprint | Hold R Button |
| Note: Holding down the Sprint button for an extended period of time causes the player to become fatigued and slow down. | |
| Instant replay | SELECT |
| Pause game | START |

Coaching Tip:
Power, Weight & Direction

When shooting or lobbing, keep the relevant button pressed to increase power (and therefore speed and distance). Use the Control Pad to aim - the ball travels in the direction it is facing when the button is released.

ATTACKING

| Action | Control |
|---------------------------|------------------------|
| Pass | B Button |
| First Touch | B button + Control Pad |
| Shot | A Button |
| Lob | L Button + B Button |
| Through ball | L Button + A Button |
| 1-2 pass | Hold the B Button |
| Aim throw | Control Pad |
| Throw ball | A/B Button |
| Change player to throw to | L Button/R Button |

Note: When the Pass button is pressed, the ball is passed to the nearest team-mate in the direction the ball carrier is facing. If no team-mate is available, the ball is passed straight in that direction.

Coaching Tip: First Touch

To pull off a first time pass, press the B Button just before receiving the ball. You'll pass it on without needing to stop and control it. To perform a first time shot, it's the same deal, but instead press the A Button.

DEFENDING

| Action | Control |
|--------------------|---------------------|
| Switch player | B Button |
| Tackle | A Button |
| Hard tackle | L Button + A Button |
| Secondary defender | Hold the L Button |

GOALKEEPING

| Action | Control |
|-------------------|-------------------|
| Goalkeeper charge | Hold the B Button |
| Aim kick or throw | Control Pad |
| Throw/Pass | B Button |
| High kick | A Button |

Coaching Tip: Secondary Defender

For the defender nearest the ball, tackling isn't necessarily the best form of defence. When facing the man in possession, it's sometimes more effective to block his route to goal and then call in a secondary defender (hold the L Button) to make the challenge.

Coaching Tip: Through Ball

Guide an indirect pass into space with the through ball (L Button + A Button), which a team-mate can then run on to.

SET PIECES

FREE KICKS AT GOAL, GOAL KICKS AND PENALTY KICKS

| Action | Control |
|--------------------|-----------------|
| Set kick direction | Control Pad ←/→ |
| Set kick height | Control Pad ↑/↓ |
| Hard kick | A Button |
| Pass | B Button |
| Goalkeeper dive | Control Pad |

Coaching Tip: Ball Swerve

Press the Control Pad to bend the ball in the air after a shot.

To net one in the onion bag, follow these steps:

1. Press the Control Pad to **target** the kick.
2. Press the **A** Button to **start** the kick meter.
3. For maximum power press the **A** Button again before it enters the red zone.
4. Press the **A** Button again at the bottom of the bar (in the grey area) for maximum accuracy.

CORNERS

1. Press the **L/R** Button to select the player to aim for.
2. Press the Control Pad to move the player into position.
3. Press the **A** Button for a hard cross or the **B** Button for a pass.

THROW-INS

| Action | Control |
|-------------------------|-------------|
| Choose receiving player | L/R Button |
| Move receiving player | Control Pad |
| Throw | A/B Button |

Coaching Tip: Dribbling

The faster you travel, the trickier it is to trap an incoming pass or keep control of the ball. Try to balance pace with the need for control.

INSTANT REPLAY

Press **START** to access the Pause menu and then select INSTANT REPLAY to review the last few moments of the game.

AUTO REPLAY

Auto Replay replays major incidents during the game. (Press **START** to return to the game). Auto Replay is on by default; turn it off from the **GAME SETTINGS** menu found under **MY FIFA 07**.

| Action | Control |
|------------------|-----------------|
| Hide control bar | SELECT |
| Return to game | START |
| Play/Pause | A Button |
| Change camera | B Button |
| Fast-forward | R Button |
| Rewind | L Button |
| Rotate view | Control Pad ←/→ |
| Zoom | Control Pad ↑/↓ |

OUT OF THE TUNNEL

KICK OFF

Get straight out onto the pitch and take on any club or country in the game.

TEAM STAR RATING

Your team is given a Star Rating, which is displayed beneath its name and indicates its overall ability. To improve it, you'll need to train players by earning Coaching Bonuses (see *Manager Star Rating* on p. 11).

PLAYER STATUS BAR

During a match, a Player Status Bar appears at the bottom of the screen, displaying the highlighted player's current level of fitness.

FITNESS

This level decreases the more a player sprints (hold the **R** Button), slowing him down, but replenishes when he returns to normal pace.

MOMENTUM METER

The momentum meter appears next to your team name. Keep one eye on the game and the other on your momentum meter to check that the momentum is with your team. When it is, the team's overall ability is boosted and the chances of finding the back of the net are increased.

Using the opposition's goal as target practice and finding the back of the onion bag builds momentum – but as your attacks decrease, so does your momentum meter.

INSTANT REPLAY

Press **SELECT** to watch the previous few moments of the game. Major match incidents are replayed automatically through Auto Replay.

THIS IS THE SEASON

CAREER

Think beyond the 90 minutes. Welcome to your career in football management.

MANAGER STAR RATING

As manager, you're given a Star Rating based on the amount of Prestige Points you earn, which is displayed after each match. At every Manager Prestige level, you're awarded a Coaching Bonus, which hands you the opportunity to increase player skills and thus your Team Star Rating.

FROM THE CHAIRMAN

It's simple; get the best out of the lads over five seasons, meet the Season Objectives that the board has set for you and while you're at it, cultivate your Manager Prestige.

Earn Prestige Points by winning games and meeting objectives. The more points you earn, the higher your Prestige level. Lose games, you lose prestige. Fail to meet objectives and your prestige takes a nosedive, your reputation is muddied and there's a chance your career could be over. Who said football is a beautiful game?

- Select VIEW OBJECTIVES from the Career Options screen to review your career objectives at any time.

TEAM MANAGEMENT

STARTING 11

Select the best 11 to pick apart the opposition.

- Press the Control Pad to highlight a player, press the **A** Button to select him then highlight another player. Press the **A** Button to swap them.

STRATEGY

Choose a formation for the team.

Note: When choosing a formation, your starting 11 are automatically sorted into the best positions for that formation.

KEY PLAYERS

- Select a role to assign to a player (such as Penalty Taker), then press the Control Pad \leftarrow/\rightarrow to cycle through team names and assign a player to that role.

CAREER TICKER

As the season or tournament progresses, keep an eye on the ticker at the foot of the screen; it'll keep you up to date with news such as latest results and top goal scorers.

- Press **START** at any time to fast-forward the ticker.

OTHER GAME MODES

TOURNAMENT

Select a single tournament and team and bring home the silverware. Right after a match you can review other fixture highlights from the Latest Results screen and get the tournament low-down from the Tournament Options menu.

CHALLENGES

Put yourself into the boots of some well-known players over a variety of recent season match-ups – battle out a draw, pull off a storming comeback or inflict a humiliating pasting. Complete them all to lead a classic eleven out of the tunnel.

MULTIPLAYER

THIS GAME PAK INCLUDES A MULTI-PLAYER MODE WHICH REQUIRES A GAME BOY ADVANCE™ GAME LINK™ CABLE (MODEL NO.: AGB-005).

- Note:** A Game Boy Advance™ Game Link™ Cable is required for Multiplayer mode. Link to another player and mix it up. Each player must have a copy of *FIFA 07* to play a Multiplayer game.
- Once connected, both players should select MULTIPLAYER from the Main menu.
 - Press the **A** Button to continue and start the game.

MY FIFA 07

Your game – the way you want it. Customise the look and feel of *FIFA 07*, set a club as your Favourite Team or reminisce over past glories by admiring the silverware in the club's Trophy Room.

SAVING AND LOADING

SAVING

When embarking on your Career or entering a Tournament, the game is saved automatically. The game then auto-saves after every match you play (including simulated matches).

Note: You cannot save a match in progress.

LOADING

- When re-entering Career or Trophy mode, the previously saved game is loaded automatically.

DELETING

- To delete the current Career Mode or Tournament, enter that mode and press **SELECT**. Choose **OK** at the prompt.
